General Information: info@alphapackaging.com

Thank you for the opportunity to introduce Alpha Packaging Inc. to you and your organization. In March 2007, Alpha celebrated 20 years in business. Our corporate office totaling 145,000 square feet is located on 14 acres in Greenwood, AR. Our company owned trucks cover a 300-mile radius daily. We are a family owned business committed to you, the customer, in order to provide you the products and service you expect and deserve. You will find our customer service, throughout our supply chain, second to none. Our core business is corrugated related products, such as brown boxes to high graphics boxes. However, we have much more to offer. Here is a list of some of our major product lines:

Packaging:

- Corrugated: Single-Wall – Double-Wall – Triple-Wall Cartons, Die-Cuts, Fanfold
- Plastic Corrugated Converter
- Build-ups – Plastic Corrugated or Paper Corrugated
- Laminates – Foam to Corrugated, Cross-Corrugated
- Full Litho-Labels
- Assembled Partitions
- Chipboard

Graphic Designs:

- P.O.P. Floor Displays
- Fulfillment – Kit Pack-outs

Packaging Accessories:

- Angleboard – ITW
- Microfoam, PE Foam (Rolls and Plank), Void Fill, and Honeycomb – Pregis
- Air Pillows, Paper Plus products, Loose Fill – Storopack
- Tapes, Aerosols, Adhesives and MRO items – 3M
- Plastic Strapping
