

You have been recognized with the 2023 Pregis Purpose Renew Award for your commitment to sustainability. By offering customers Pregis PolyPlank® Renew™ foam made with recycled content, you **reduced carbon emissions**.

### About the Pregis Purpose Award

We created the Pregis Purpose Awards to recognize our partners who share in our dedication to making the world a better place through sustainability initiatives and practices, corporate stewardship, and community improvement.

### Impact of Carbon Footprint Reduction

Carbon footprint reduction is important because it mitigates the effects of climate change, boosts the global economy, improves public health, and maintains biodiversity. When we cut carbon emissions, we help ensure cleaner air, water, and food for future generations.
